Organized by

DEPARTMENT OF MCA

KARPAGAM COLLEGE OF ENGINEERING

Coimbatore - 641 032

## ORGANIZING INSTITUTION

The Karpagam Charity Trust was promoted by Dr.R.Vasanthakumar, Chairman and Managing Trustee, in 1989, with a vision to serve and lead the society by imparting quality based education as the mission. Karpagam College of Engineering was established in 2000, approved by AICTE and affiliated to Anna University, Chennai. The College has been accredited by NAAC with 'A' Grade. Karpagam College of Engineering offers four years B.E/B.Tech. Degree courses in Electrical and Electronics, Electronics and Communication, Electronics and Instrumentation, Mechanical, Automobile, Civil, Computer Science, Electronics & Telecommunication and Information Technology apart from M.E, MBA and MCA programmes.

## ABOUT THE DEPARTMENT

The Department of MCA started in 2001, has experienced members of faculty and well-equipped laboratories. The main objective of the department is to produce talented software engineers to satisfy the competitive industrial needs. The Department has organized nine National Conferences and three workshops successfully. Based upon the current Industrial growths, the department organizes various workshops and seminars periodically.

## ABOUT THE WORKSHOP

✓ This Workshop aims to enlighten the participants who wish to enhance their programming skills in the area of open source and take up their own project.

✓ Enable the participants to develop Web applications on their own.

✓ Enhance the participant's technical career towards the new technological developments that occurs in the industry.

## OPEN SOURCE

Open source development offers the potential for a more flexible technology and quicker innovation. Modular systems allow programmers to build custom interfaces, or add new abilities to it and it is innovative.

The OSS development approach has helped to produce reliable, high quality software quickly and inexpensively.

## WHO SHOULD ATTEND

UG/PG students, Delegates, Faculty members, Research Scholars working in Computer Applications and Computer Science Engineering can apply.
