

ABOUT THE INSTITUTION

Karpagam Charity Trust was promoted in the year 1989 by Dr.R.Vasanthakumar B.E. (Hons.), D.Sc. Chairman and Managing Trustee, with the vision to serve and to lead the society by imparting quality based education as the mission. Karpagam College of Engineering started in the year 2000 is approved by AICTE and affiliated to Anna University, Chennai. It is an autonomous college with an enterprising management, which directs all its effort towards producing proficient products. The college offers nine Under Graduate and five Post Graduate Engineering programmes. The College is accredited by NAAC with 'A' Grade, TCS, Wipro and NBA accredited with 4500 students and 426 teaching and non-teaching staff members, Karpagam College of Engineering strives to impart quality education and to provide an excellent career start to all its students. The 10 Centers of Excellence strive to impart practical and experimental exposure to the students and serve as a window to the corporate world.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering was established in the year 2000. The Department has been a repository of knowledge at the very outset with the backing of efficient and specialized faculty and state-of art laboratories. The Department has been providing post graduate programme and excellent research opportunities and facilities.

ABOUT THE PROGRAMME

In a world of rapid change, teachers will not only need to be experts in teaching something, they will also need to be experts in teaching their students to learn how to learn. This FDP is intended to provide an opportunity for the faculty members to enhance their teaching, training and content development skills. The programme extensively covers the recent advancement in teaching methodology, effective presentation techniques, and behavioural skills for the comprehensive development of teaching fraternity. Thus, the essence of the program would enable the educators to face the dynamic nature of the knowledge of society.
