**ALUMNI
TALK**

“

At KCE, I had an excellent opportunity to connect and collaborate with corporate professionals which eventually helped me to be an Industry ready engineer. The kind of training I had for placements fostered my communication as well as technical skills. Having exposed to tough challenges in college and the way they nurtured me, I'm able to compete globally.

”

B.E. ELECTRONICS & TELECOMMUNICATION ENGINEERING

WHY
B.E. ETE
@KCE?

CHOICE BASED CREDIT SYSTEM

Student centric learning environment

Extensive Training for On-Campus Placements

Outstanding placement record (above 85% consistently)

Alumni are placed in Microsoft, Zoho and Amazon

Curriculum that meets the Industrial requirement

Company Oriented Training for Placements

Value Added Courses

Elective Courses for IT Jobs

Data Structures

Design and Analysis of Algorithms

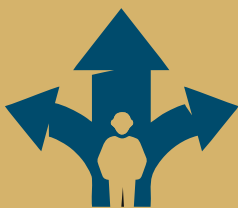

Applied Data Science

Java, Python & R - Programming

Node JS and Angular JS

Apache and Spark

Artificial Intelligence

**CAREER IN
IT SECTOR**

Full Stack Developer

(Java / Python, Databases & Scripting Languages)

Software Developer Engineer

(Problem Solving Techniques, ADS & DAA)

Data Analyst

(Java / Python, R-Programming, Apache and Spark)
