Mechazine 2020

Messages

I am happy to note that the Mechanical Department of our college is releasing the Annual magazine MECHAZINE - 2020 and also planning to bring out the souvenir.

Apart from achieving excellence in academis an sharpening intellectual potential, it is important for students to develop leaderships skills and and capacity to inovate for social causes, to make them resourceful and employable.

I Congratulate the organizers, faculty and the students of Mechanical Department for their initiative and Enthusiasmin releasing the prestigious magazine and wish them all success

Dr.R.Vasanthakumar
Chairman & Managing Trustee
Karpagam Educational Institutions

Its gives me immense pleasure to note that the Department of Mechanical Engineering is releasing the MECHAZINE - 2020 with the obhective of providing a platform to share, discuss and to exchange the views on exciting themes. At this juncture, I congratulate the organizers for their efforts in bringing out the souvenir.

I wish good luck and extent my warm patronage to all those who are have contributed their best to bring out the souvenir in good shape. I wish them all success.

Shri.K.Murugiah

Chief Executive Officer
Karpagam Edutional Institutions

It gives an immense pleasure in extending my hearty greetings to the staff and students of Mechanical Engineering Department for their efforts in releasing MECHAZINE - 2020

I wish that this magazine stand as a stage to prove everyone's extracurricular skills and provide an opportunity and a platform for the young Engineers to know the current trends in the field of Mechanical Engineering

Dr.P.Vijayakumar,
Principal
Karpagam College of Engineering

I take at most pleasure to state that our Department is releasing MECHAZINE -2020. The magazine is mainly aimed at exploring the student's Knowledge and bringing out their creative talents in a new platdorm to widen their career opportunities.

I congratulate and thank all the staff members and students who have put their untiring efforts to bring out their souvenir and wish them all success.

Dr.C.Krishnaraj,
HOD/MECH
Karpagam College of Engineering

ABOUT THE DEPARTMENT

Department of Mechanical Engineering was established in the inception of the college 2000 during the and is of year one of college offers the prime departments our and a year B.E **Programme** in Mechanical Engineering. The department of faculty and supporting staff members.

Department of Mechanical Engineering is continuously striving to achieve exellence in academic and industry oriented research along with consultancy work offering service to the society. We aim to provide our students a perfect blend of intellectual and practical exposure that helps them to serve our society and address a variety of needs of the society.

Our curriculum is designed to cover the requirements of a wide range of industries from Aerospace, Manufacturing, Defense, Space, Construction Process, Nano Engineering, Energy, Environment, Transportation and Nuclear Engineering etc. by using State-of-the art software packages like Pro-E, Solid Works, ANSYS, CATIA, IDEAS, MASTER CAM, CADEM and other simulation softwares.

On completion of the degree, our students are prepared for entry - level work as a Mechanical Engineer in industry as well as for higher education where fundamental engineering background constitutes a desirable foundation. Academic course work and endow students with the ability to apply knowledge of science, Mathematics and Engineering and the capability to work effectively in multi disciplinary teams providing leadership and to utilize technical expertise.

With a solid fundamentals in the principles and practice of Mechanical Engineering, our students are also trained in ethical approaches towards Engineering, with a concernfor society and the environment. Department aptly makes use of the technical facility of the workshop in teaching and in setting up of in-house experimental set-ups. Workshops and conferences cater to the needs of intra and inter departments of the College in terms of enchancing the career. Our students are well placed in leading industries as well as in the higer research level institutions of international recognition.

Workshops and conferences cater to the needs of intra and inter departments of the college in terms of enhancing the career. Our students are well placed in leading industries as well as in the higher research level institutions of international recognition.

Vision

To enable the students excel in a high - value career, higher education and research, in the field of Mechanical Engineering through innovative teaching and learning methodologies, to meet the needs of the industry and to be a part of the advancing technological revolution.

Mission

Imparting Quality education to the students to meet the global challenges in the field of Mechanical Engineering.

Enriching their knowledge by providing the Research and Development opportunities.

Inculcating self - confidence for being a sucessful Entrepreneur.

Courses Offered

B.E Mechanical Engineering,

M.E Mechatronics,

Ph.D Mechanical Engineering

Lab Facilities

CAD Lab

CAM Lab

Strength of Material Lab

Metrology Lab

Dynamics Lab

Mechatronics Lab

Thermal Engineering Lab - 1

Thermal Engineering Lab - 2

Fluid Mechanics Lab

Engineering Practices Lab

Manufacturing Technology

Fabrication Lab

Programme Education Objectives

PEO1:

Graduates Will be able to comprehend mathematics, Science Engineering fundamentals, Laboratory and work based experiences to formulate and solve problems in the domain and shall Develop proficiency in the computer based engineering and the use of comutational tools.

PEO2:

Graduates will be equipped to communicate and engage in team-based work on the multidisciplinary engineering projects and will practice the ethics of their profession.

PEO3:

Graduates will recognize the importance of self learning and engage in continuous independent learning to become experts either as an entrepreneur or an employees in the field.

The Christmas Lights Went Went

The Christmas lights went out— The ones Dad just suspended. He took all day to hang them, But their gleaming's promptly ended.

I wonder how he'll take it When he steps out in the snow To marvel at his handiwork But find he's missed the show.

The Christmas lights went out, And all's dark on our lawn— One fleeting, fizzling moment And his masterpiece is gone.

I think I'll step inside now To avoid how he reacts When he finds one broken bulb In the middle of my tracks.

QUOTES

Childish princess became a childish queen while the moment I saw you with a pretty dress I kid you for fun but looking like sun of brightness

My soulmate looking like a soul of God with charming smile and admiring dress

:Mistake can be done by everyone even by me which should be forgive by forgetting
But repeated warnings of mistake can't be tolerated which hurt someone can be forgive not forgetted

Student Articles-

The foundation stones for a balanced success are honesty, character, integrity, faith, love and loyalty.

Life
without love
is like a tree
without blossoms
or fruit.
Khalil Gibran
