DEPARTMENT @ GLANCE

B.E. Electronics and Communication (EC) Engineering offered at Karpagam College of Engineering and established in the year 2000. The department has experienced and qualified faculty members, well equipped laboratory such as DSP lab, MEMS Lab, Communication and Microwave Engineering Lab, LIC / Digital Lab, VLSI Design Lab, Network sand Simulation and Electron Devices Lab with availability of latest and updated version of software package. The department has also promoted different center of excellence for MEMS Research and Development (CMRD), Centre for Signal Processing Research and Development (CSPRD), Centre for Embedded system Research and Development (CESRD), Centre for Image and Video Processing Research and Development (CIVRD), Centre for VLSI Design and Development (CVDD) and Centre for Research Communication and Wireless Network (CRCWN) for developing research activities in the field of Electronics and Communication Engineering.

VISION OF THE DEPARTMENT

- ❖ To provide innovative teaching and learning methodologies for excelling in a high-value career, higher education and research to the students in the field of Electronics and Communication Engineering to meet the needs of the industry and to be a part of the advancing technological revolution.

MISSION OF THE DEPARTMENT

- ❖ To create engineers of high quality on par with international standards by providing excellent infrastructure and well qualified faculty
- ❖ To enhance the collaborative and multidisciplinary activities to develop human and intellectual qualities
- ❖ To provide technical expertise to carry out research and development.

PROGRAMME EDUCATIONAL OBJECTIVES

Graduates of the B.E. (Electronics and Communication Engineering) Program will,

PEO 1: Have successful careers in Electronics and Communication Engineering and in allied professional fields.

PEO 2: Have the ability to work in multidisciplinary teams with the technical competency, collaboration, and leadership qualities.

PEO 3: Uphold professional ethics and exhibit continual knowledge advancement.

PROGRAMME SPECIFIC OUTCOMES

PSO 1: Good knowledge and hands-on competence to solve emerging real-world problems related to Electronic Devices and Circuits, Communication Systems, Digital Systems, and Electro-magnetics

PSO 2: Demonstrate proficiency in specialized software packages and computer programming useful for the analysis/design of electronic engineering systems and profession

FACULTY CORNER

Faculty Awards / Achievements/ Patents

- **Dr. Karthigaikumar P**, Dean/Academics, received funding for a project titled “Design and Development of a System for Identification and Sorting of Different Plastic Classes using Spectroscopy” from the Department of Science and Technology, amounting to ₹146.933 lakhs, for the period 2020-2024.
- **Dr. G. Saravanakumar**, Professor/EC, received funding for a project titled “Camellia - IDrone An Intelligent Automatic System for the Pest Infestation Assessment and Spraying Intervention in Tea Plants of North East Region” from the Department of Science and Technology, amounting to ₹104.866 lakhs, for the period 2023-2026.
- **Dr. P. Karthigaikumar**, Dean/Academics, has patent “VOICE-ACTIVATED MOBILE DEVICE” on 1st October 2024 (Patent No: 432462-001).
- **Dr. S. Balambigai**, Professor/EC, has patent “INTERNET OF THINGS BASED FINANCIAL DATA PROCESSING AND DISPLAY DEVICE” on 22nd September 2024 (Patent No: 431270-001).
- **Dr. S. Deepa**, ASP/EC, has patent “CRICKET BOWLING MACHINE” on 1st August 2024 (Patent No: 417180-001).
- **Dr. G. Saravanakumar**, Professor/EC, has patent “INTELLIGENT PEST INFESTATION ASSESSMENT AND SPRAYING INTERVENTION SYSTEM EMPLOYED WITHIN A TEA PLANTATION” on 16th July 2024 (Patent No: 413724-001).
- **Dr. S. Balambigai**, Professor/EC, has patent “CLOUD BASED FULL BODY SCANNER” on 29th August 2024 (Patent No: 428592-001).
- **Dr. S. Deepa**, ASP/EC, has patent “SMART MACHINE FOR BOWLING” on 29th August 2024 (Patent No: 419912-001).
- **Dr. S. M. Swamynathan**, ASP Professor/EC, has patent “The Design Thinking Approach on Segregation of Biodegradable and Non-Biodegradable Wastage using IoT and Cloud” on 23rd August 2024.
- **Dr. Sarankumar R**, Professor & Head has awarded as best faculty in recognition of exemplary dedication to teaching and mentoring by Tech Forum Research Foundation on September 05, 2024.

- **Dr. R. Sarankumar**, Professor & Head has successfully completed NPTEL course on “Technical Communication for Engineers” during July to August 2024 with **Elite plus Gold** and secured **Topper 5% category**.

Fig.3: Dr. R. Sarankumar, Professor & Head secured Elite plus Gold and Topper with 5% in NPTEL.

- **Dr. S. Balambigai**, Professor has successfully completed NPTEL course on “Design Thinking – A Primer” during July to August 2024 with **Elite plus Silver** and secured **Topper 5% category**.

Fig.4: Dr. S. Balambigai, Professor secured Elite plus Silver and Topper with 5% in NPTEL.

- **Mr. Ram Prasath S**, Assistant Professor has successfully completed NPTEL course on “System Design Through Verilog” during July to September 2024 with **Elite plus Gold** and secured **Topper 5% category**.

The image shows an NPTEL Online Certification Certificate. At the top, it says "Elite" in a red banner. Below that, "NPTEL ONLINE CERTIFICATION" is written in large red letters, followed by "(Funded by the MoE, Govt. of India)". The certificate is awarded to "RAM PRASATH S" for successfully completing the course "System Design Through Verilog" with a consolidated score of 91%. A table shows scores for Online Assignments (23.46/25) and Proctored Exam (67.5/75). It states that 2329 candidates were certified in this course. The course was held from Jul-Sep 2024 (8 week course). The certificate is signed by Prof. T. V. Bharat, Head, Centre for Educational Technology, NPTEL Coordinator, IIT Guwahati. Logos for Skill India, Indian Institute of Technology Guwahati, and swayam are also present. A QR code is provided to verify the certificate, and the roll number is NPTEL24EE94S333400413. The number of credits recommended is 2 or 3.

Teacher leadership is
essential for principals
because it not only supports
instructional improvement
but also strengthens the
school’s overall culture and
effectiveness.

The ideal of all education,
all training, should be
this man-making.
But, instead of that,
we are always trying to
polish up the outside.
