### DEPARTMENT @ GLANCE

The Department of Information Technology was started in the academic year 2001. The Department is located in a newly constructed 70000 Sq.ft state-of-the art information Sciences Block. The block also houses a separate Laboratory block and one open Air Theater to seat 500 students. The Department is equipped with excellent computing facilities. The Internet facility is extended to the students free of cost. The laboratory hours have been extended to enable students to work on independent projects and to gain hands-on experience. The department is adorned with well-qualified faculty and technical staff members. Curriculum and Syllabus are upgraded with feedback from all stakeholders from time to time for the benefit of students. The Potential skills of the students are improved by encouraging them to prepare technical articles for the department magazine. The students are motivated to participate in technical seminars and competitions, both within and outside the campus for their overall personality improvement. The Potential skills of the students are improved by encouraging them to prepare technical articles for the department magazine. The Department has signed MoU with Google Developers group, TIMS, Favorite, Techvolt Software Pvt Limited, Orita Sinclair school of Design and Infosys Technologies Ltd. through campus connect Programme to train our students to meet the growing demands of the IT Industries and to increase employability by providing technical and soft skills. Faculty Enablement Programmes are conducted for our faculties through technical experts from Infosys, Wipro, EMC2 etc. to make students trained and get placed in companies.

### VISION OF THE DEPARTMENT

- ❖ To provide reliable and modern technology resources to the faculty and students to develop the competence in Information Technology and to endure with the rapidly changing world to serve the mankind.

### MISSION OF THE DEPARTMENT

- ❖ Imparting technical knowledge through innovative teaching and research for budding professionals.
- ❖ To equip the students with strong fundamentals, programming and problem-solving skills with an exposure to emerging technologies and inculcate leadership qualities with a passion to serve society.
- ❖ Establish centers of research in the areas of computer science and design by imparting state-of-the-art technical knowledge to meet the immediate needs of society.

### PROGRAMME EDUCATIONAL OBJECTIVES (PEO)

- ❖ **PEO1:** Graduate will have successful professional career in software industries or pursue higher education in reputed institutions or execute entrepreneurial ventures.
- ❖ **PEO2:** Graduates will deliver effectual computing solutions for real time problems and function as individual or member of multi-disciplinary team.
- ❖ **PEO3:** Graduates will demonstrate continual learning pursuit and exhibit ethical values.

### PROGRAMME SPECIFIC OUTCOMES (PSO)

**PSO1:** Ability to organize an IT infrastructure, secure the data and analyze the data analytic techniques in the field of data mining, big data to facilitate in solving problems.

**PSO2:** Ability to analyze and design the system in the domain of Cloud and Internet of Things.

INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)

(Centre of Excellence / MoU's / Collaboration Activities / Partial Delivery)

MoU – Memorandum of Understanding

**Edrootsinternational**

Third floor, #725,  
SR Complex, Avinashi  
Road, above South  
Indian Bank,  
opp. Hotel Residency,  
Race Course,  
Puliakulam,  
Coimbatore  
Tamil Nadu - 641018

**Dr. N.M.Saravanakumar, HoD /IT signing MoU with  
M/S. Edrootsinternational on 08.10.2024**

Partial Delivery

**Mr. Mohamed Ibrahim, engaging in the crowd with a  
brief talk on Operating Systems**

**Partial Delivery on  
Delievery- 23ITR301  
Operating Systems  
(22.10.2024)**

by  
Mr. Mohamed Ibrahim,  
System Developer,  
Net Tel Solutions Pvt.  
Ltd,Coimbatore.

**EVENTS ORGANIZED**

<b>WORKSHOP ORGANIZED</b>		
<b>Sl.No</b>	<b>Title of the Event</b>	<b>Date</b>
1.	Workshop on Unleashing innovation using Gen AI	08-08-2024
2.	Workshop on IoT	27-09-2024
3.	Workshop on Spring Boot	14-09-2024
4.	Workshop on Data analytics using Statistical tools	17-10-2024
5.	Workshop on Devops	26-10-2024
<b>SEMINARS ORGANIZED</b>		
6.	Seminar on Higher education and Career Opportunities	25-09-2024
<b>GUEST LECTURES ORGANIZED</b>		
7.	Guest Lecture in research field	27-07-2024
8.	Guest Lecture on IoT and Machine Learning	27-09-2024
<b>CAREER AWARENESS PROGRAMME</b>		
9.	Career awareness programme for KCEians by KCEians	30-07-2024
10.	Career awareness programme for KCEians by KCEians	22-07-2024
11.	Alumni Interaction on Bridging the past and Future	13-09-2024
12.	Alumni Interaction on various opportunities in digital marketing	09-03-2024
